

STAR HARBOR LADIES GOLF ASSOCIATION

Designates Monday Morning for Ladies Play

Due to the great increase in membership and golf play by both men and women, the Star Harbor Golf Committee, and the Ladies Golf Association, unanimously reaffirmed to continue designating Monday morning for ladies play. The Ladies Golf Association will have uninterrupted play until 12:00 noon. This leaves Monday afternoon, and the rest of the week, for public and other membership play.

It is the Golf Committee's honor and privilege to support the lady golfers in our community so they can play uninterrupted, stress free golf.
